THE DUFFERIN MARSH COMMITTEE NEEDS VOLUNTEERS TO HELP CONDUCT THE ANNUAL FROG MONITORING PROGRAMME IN THE MARSH.

Monitoring begins in mid April when the frogs first start to sing and lasts until the end of May (depending on the weather). This is great way for high school kids to accumulate community hours. It is also a great way to bond with younger children by accompanying them on the monitoring which is scheduled for early evening twice a week.

We will be holding a training and information session at The Grackle Coffee Company on Main Street on Tuesday April 8th at 8:00pm.

Please contact us if you are planning on attending.

IT'S EASY AND FUN TOO!
